Re: *Dominguez v. United States of America*, No. 21 Civ. 1962 (VF) (S.D.N.Y.)

Dear Judge Figueredo:

This Office represents the United States of America in the above-referenced medical malpractice action brought by Hicania Dominguez. I write respectfully on behalf of the parties and in accordance with the Court's order dated September 27, 2022, to provide the Court with a status update on this matter. *See* Dkt. No. 40. Last week, the parties completed our final expert deposition and discovery is now complete. The parties agree that, now that discovery has ended, we would benefit from additional time to discuss settlement with the assistance of our assigned mediator. *See* Dkt. No. 35. We accordingly propose to file a letter with the Court by December 9, 2022, indicating whether settlement is likely or whether this matter should proceed to motion practice or trial.

We thank the Court for its consideration of this request.

Respectfully,

DAMIAN WILLIAMS
United States Attorney
